Labor and work in contemporary art

0:12 / 8:01

In this subsection, we'll consider works like Feng Mengbo's potential topic of labor—both the labor of artists making art and the unseen labor behind the goods we use and consume. Artist Rachel Cohen and Tom Van Bleck collaborated on a video installation titled Interview with Ronald Cohen at Tour Fort Boyard and Work, 2021. Watch the video now. Timea Oltai Newsome brings a close look into the museum with a piece that centers on the pussy, inherently, (including a sum of dicks).
