We invite you to contribute to this module's optional discussion forums by responding to one or more of the prompts below. Use the links to access the forum for each prompt.

As we engage with the content and begin conversations with others, we must all be mindful of the lived experiences and intersecting identities that we bring to this course. To that end, it is of the utmost importance that we treat everyone in our community—including all learners and course staff—with respect by following the Coursera Code of Conduct.

Reflect on Module 2: Places & Spaces — post a response here

Congratulations on completing Module 2: Places & Spaces! Use this discussion forum thread to share your thoughts, questions, and observations with other learners about the themes, ideas, and artworks you've explored.

Here are some questions to consider as you reflect:

- What is your biggest takeaway from this module?
- What resonated the most with you?
- What surprised you or got you thinking?

Create an artwork inspired by Module 2: Places and Spaces — post a response here

Think about a place you've visited in the past few weeks that had a strong effect on you. Consider the characteristics of the place that made it distinct, including the mood, environment, people who were around or with you, and your reason for being there. Create or find an image that expresses your experience of that place. We invite you to describe or explain your choice of place in this discussion forum.
